#DolphinIQ

Akari Yamaguchi @DolphinMemeGirl Nov 12

.@degrassegirl Saw that! Watched Pippa find paper cup in their pool. Instead of taking it to trainer, hid it under rock at bottom of pool.

Akari Yamaguchi @DolphinMemeGirl Nov 12

.@degrassegirl When trainer walked into area, she went down and tore off piece of cup to trade for a fish! #DolphinIQ

Akari Yamaguchi @DolphinMemeGirl Nov 14

OMG Pippa traded piece of litter for fish then used fish to lure gull into pool. #DolphinIQ

Akari Yamaguchi @DolphinMemeGirl Nov 14

.@degrassegirl Yeah forgot to take pic. She grabbed gull and gave to trainer! Trainer so blown away, gave Pippa half bucket fish. #DolphinIQ

Akari Yamaguchi @DolphinMemeGirl Nov 18

Hadn't visited Pippa in few days. When I got there, what I saw totes slayed me.

Akari Yamaguchi @DolphinMemeGirl Nov 18

.@degrassegirl Dolphins all trading litter for fish! Using fish 2 catch gulls 2 trade 4 more fish! PIPPA TAUGHT THEM! THEY TEACH EACH OTHER!

Akari Yamaguchi @DolphinMemeGirl Nov 18

Akari Yamaguchi @DolphinMemeGirl Dec 16

.@degrassegirl I wish, but we can't legally get boat near Taiji to put bulletin boards in the cove. #DolphinMeme

Akari Yamaguchi @DolphinMemeGirl Dec 16

.@degrassegirl International waters=12 nautical miles=13.8 miles.

Akari Yamaguchi @DolphinMemeGirl Dec 16

.@degrassegirl $3.14 \times 13.8^2 = 86.66$ miles. 180 degree radius around Taiji, so half the circumference. So wall of bulletin boards=43.33 miles.

Akari Yamaguchi @DolphinMemeGirl Dec 16

.@degrassegirl Sound travels 5x further in seawater than air.

Akari Yamaguchi @DolphinMemeGirl Dec 16

.@degrassegirl So only need 1 bulletin board per 1/8 mile. So only need 347 of them.

This is totes doable! #DolphinMeme

Akari Yamaguchi @DolphinMemeGirl Dec 19

.@degrassegirl Hardest part gonna be finding someone with boat to go plant buoys in intl waters, worry about that later. #DolphinMeme

Akari Yamaguchi @DolphinMemeGirl Dec 21

.@DianFoxxey Can't watch ever again, but had to buy it on iTunes cuz I needed audio clip of dolphins screaming while being stabbed to death.

Akari Yamaguchi @DolphinMemeGirl Dec 23

Spent day testing out first piece of Dolphin Meme at Seatopia. #DolphinMeme

Akari Yamaguchi @DolphinMemeGirl Dec 23

.@degrassegirl No it was raining so no one there. Pressed my brother's iPad against tank glass and played audio clip of massacre in Taiji.

Akari Yamaguchi @DolphinMemeGirl Dec 23

.@degrassegirl All 4 dolphins swam over to hear it, became agitated, fled. THEY UNDERSTOOD.

Akari Yamaguchi @DolphinMemeGirl Dec 23

.@degrassegirl I know. Felt like throwing up. But had to confirm that clip said "death" in dolphin. I begged dolphins to forgive me.

Akari Yamaguchi @DolphinMemeGirl Dec 23

.@degrassegirl Yeah, all 4 dolphins fled after I played the clip, but Pippa came back.

Akari Yamaguchi @DolphinMemeGirl Dec 23

.@degrassegirl She was clearly agitated, but kept nosing glass where iPad was. Ever seen her do that?

Akari Yamaguchi @DolphinMemeGirl Dec 23

.@degrassegirl Totes agree, she is SOOO brave. And she was trying to tell me something.

Akari Yamaguchi @DolphinMemeGirl Dec 23

.@degrassegirl So then I tried playing back audio clip again. Pippa began to repeat back same squeals and pulsed squeaks!

Akari Yamaguchi @DolphinMemeGirl Dec 23

.@degrassegirl Pippa knew something the other dolphins didn't. SHE HAD WITNESSED MURDER BEFORE. She is so beautiful and so brave.

Akari Yamaguchi @DolphinMemeGirl Dec 23

.@degrassegirl She began knocking into glass, trainers pissed, called in Seatopia Security, SS tried to take my iPad but I ran.

Akari Yamaguchi @DolphinMemeGirl Jan 6

Akari Yamaguchi @DolphinMemeGirl Jan 6

.@FauxhemianGirl That was me! I hid over near one side of tank. Pulled out iPad, dolphins saw it and all stayed away except Pippa.

Akari Yamaguchi @DolphinMemeGirl Jan 6

.@degrassegirl Totes agree. She wanted to communicate with me. Cuz she knew that I knew what she had witnessed.

Akari Yamaguchi @DolphinMemeGirl Jan 6

.@SissySpaceshyp U were totes right! I pressed iPad to tank wall, played video of hand pointing to the left. She instinctively looked left!

Akari Yamaguchi @DolphinMemeGirl Jan 6

.@CerseiCanister I thought the exact same thing. Dolphins have innate GPS based on earth's magnetic fields.

www.dolphin-institute.org/resource_guide/dolphin_perception.htm

Akari Yamaguchi @DolphinMemeGirl Jan 6

.@CerseiCanister Pippa prolly knew exactly in what direction lay the place where her pod was murdered, thousands of miles away. Her home.

Akari Yamaguchi @DolphinMemeGirl Jan 6

.@DianFoxkey ok ok! So I told her I was sorry. Then I played the audio clip again.

Akari Yamaguchi @DolphinMemeGirl Jan 6

.@DianFoxxey Then I played video of hand pointing and positioned iPad so it pointed due west, in direction of Taiji.

Akari Yamaguchi @DolphinMemeGirl Jan 6

.@DianFoxxey Pippa began to chatter excitedly but did not emit distress squeaks.

Akari Yamaguchi @DolphinMemeGirl Jan 6

.@DianFoxxey She was excited cuz she knew I knew where she came from, where her pod was killed. IN THAT DIRECTION. WHERE THE HAND POINTED.

Akari Yamaguchi @DolphinMemeGirl Jan 6

.@DianFoxxey I hated it, too. So much. But it worked. We had the 2nd piece of the Dolphin Meme. #DolphinMeme

Akari Yamaguchi @DolphinMemeGirl Jan 6

.@degrassegirl Yes. Dolphins will have to triangulate 347 pointers pointing “In That Direction” at Taiji and translate it to each other.

Akari Yamaguchi @DolphinMemeGirl Jan 6

.@degrassegirl I almost didn't! The trainers saw me with iPad and started to come over but I was outa there.
